Mail Matter

GARY HIOTT, MANAGER

The Sentinel is not responsible  
for the views of its correspondents.

The slit skirt is not a closed  
incident, by any means.

For our part, they can keep  
those old Chinese eggs at home.  
We have got out of the habit,  
anyway.

The State wants to know what  
has become of the old-fashioned  
man who used to snicker at the  
jokes in the almanac. They're  
still snickerin'—in Easley.

An empty stove is a mighty  
poor place to hide whiskey, es-  
pecially during the progress of a  
blizzard or when there is a thirst  
nigger about the house.

Woman can handle the sewing  
machine, the washing machine,  
the typewriter, but she should  
beware of the political machine—it's dangerous!

There isn't much difference  
between the Huerta crowd and  
the Villa mob—the whole bunch  
are murderers, looters and  
thieves according to all accounts.

There's a new-fangled French  
slit skirt, designed especially for  
American women, on the way  
"direct from gay Paris." If  
these foreign "artists" keep on  
there will be nothing left of the  
skirt but the slit.

W. S. West, a lawyer of Val-  
dosta, Ga., has been appointed  
by Governor Slaton as United  
States senator to fill out the un-  
expired term of the late Senator  
A. O. Bacon. Mr. West will  
serve until November, when a  
state election will be held.

In Chicago last Tuesday the  
women voted for the first time  
in a regular political primary.  
In some of the voting precincts  
the gallant election clerks put up  
mirrors, so the fair voters could  
see that their votes—and hats—  
were on straight.

Commenting on the fact that  
there was only one holiday for  
the banks to observe in the  
month of February, the Char-  
lotte Observer suggests that  
Ground Hog Day be made an  
excuse. What's the matter with  
Goosebone Day, making three  
holidays?

There is a great-to-do in some  
quarters because it is said that  
there is a million-dollar deficit in  
the postoffice department. How  
about the deficit in the war, the  
navy, the pension and the other  
departments? All of them are  
supposed to be operated for the  
benefit of all the people; why  
single out one department that  
"don't pay?"

Senator Owen, of Oklahoma,  
has introduced a bill in the sen-  
ate that, if made into law, will  
be a blessing to this country.  
The bill proposes to shut out of  
interstate commerce all the pro-  
ducts of child labor "in mine and  
quarry, in mill and cannery, in  
workshop and factory, and guar-  
antee to the children of the na-  
tion the opportunity which  
should be afforded by the re-  
public."

**How's This?**

ward for any case of Catarrh that

### You Can't Earn Money When You're Laid Up

There are a lot of people in  
this town who cannot afford to  
be sick. Perhaps none of you  
feel that you can, but certainly  
some of you can't, for as soon as  
you are sick your wages stop  
and worry and debts begin to  
pile up. The sensible thing for  
you to do, as soon as you feel  
run down and worn out, no mat-  
ter what the cause, is to take  
something just as quick as you  
can to build up strength and  
health. Make yourself more  
comfortable and provide against  
serious sickness.

We don't believe there is any  
other medicine made that will  
do as much towards saving your  
health and thus helping you save  
your money as Rexall Olive Oil  
Emulsion. Is it a medicine that  
gets right at the trouble and re-  
lieves it by toning the nerves,  
enriching the blood, and giving  
new strength and health to the  
whole body. It doesn't do this  
by means of alcohol or habit-  
forming drugs, because it con-  
tains none. Its strength and  
health-giving power is due to  
pure Olive Oil and the Hypophos-  
phites, long endorsed by success-  
ful physicians, the one for its  
food value, the other for its tonic  
value. Here, for the first time,  
they are combined, and the re-  
sult is a real nerve, blood and  
body building medicine—a real  
strengthening that we are proud  
to tell you about. You don't  
need to hesitate in using it, be-  
cause if it doesn't do all we say  
it will and satisfy you in every  
way, it will cost you nothing. If  
it doesn't make you strong and  
well again, come back and get  
your money. It will be given  
you without word or question.  
Sold only at the more than 7,000  
Rexall Stores, and in this town  
only by us. \$1.—Pickens Drug  
Co., Pickens, S. C.—Adv.

There seems to be a general  
epidemic of colds in this com-  
munity and several cases of  
pneumonia.

We are glad to state that Mr.  
Ralph Murphy, who has been  
very sick with pneumonia, is im-  
proving.

'Friends of "Uncle Nelse" Bol-  
ding are sorry to hear that he  
has been suffering with a severe  
case of pneumonia. We hope to  
see him out soon.

Mrs. J. M. Gillespie, of Pick-  
ens route 2, is visiting her daugh-  
ter, Mrs. J. A. Robertson, of Sa-  
lem, S. C.

The first quarterly conference  
of the Norris circuit will be held  
at Twelve-Mile church on Sat-  
urday and Sunday, March 7 and  
8. Let everyone who can come  
and hear Rev. P. F. Kilgo, pre-  
siding elder of the Greenville  
district. Preaching at 11 o'clock  
both days.

A number of the people from  
the Twelve-Mile vicinity attend-  
ed the singing at Mountain View  
Sunday, Feb. 15.

The friends of Mrs. Kate Bol-  
ding were sorry to hear of her  
sudden illness on last Thursday  
night.

Rev. J. T. MacFarlane preach-  
ed an excellent sermon at Twelve  
Mile on fourth Sunday afternoon  
to an attentive congregation.

### Mauldin Elected For Second Time

Thomas J. Mauldin, of Pick-  
ens, has the unique distinction of  
having been elected judge of the  
new Thirteenth judicial circuit  
twice within the past two weeks—  
both times by a unanimous vote  
of the joint assembly.

The two elections for judge of  
the new Thirteenth circuit were  
necessitated by the fact that an  
error occurred in the creating  
the Thirteenth judicial circuit,  
which it was necessary to cor-  
rect by passing a special act.  
Judge Mauldin was selected judge  
of the Thirteenth judicial circuit  
the second time to insure the  
validity of his election, since the  
first election was held before the  
passage of the act correcting the  
error in the law creating the  
Thirteenth judicial circuit.

Senator Earle, of Greenville,  
who nominated Judge Mauldin  
two weeks ago, again placed his  
name before the joint assembly  
Friday night on behalf of the  
delegations from Greenville and  
Pickens, the two counties em-  
braced in the Thirteenth circuit.

Although there has been no  
definite announcement, it is ex-  
pected that Kurtz P. Smith, of  
Anderson, will be appointed so-  
licitor of the Thirteenth circuit.

The Pickens Sentinel says that  
lumbering is the second most im-  
portant industry in the United  
States. It is a very active in-  
dustry in South Carolina just at  
this time in the form of log roll-  
ing.—Newberry Observer.

It is to be hoped that judicial  
district No. 13 will not be so un-  
fortunate, with its two counties  
of Greenville and Pickens, as to  
suffer with congested dockets.—  
Newberry Observer.

**Less Dyspepsia Now  
—Here's the Reason**

The fact that there is less dys-  
pepsia and indigestion in this  
community than there used to be  
is largely, we believe, due to  
the extensive use of Rexall Dys-  
pepsia Tablets, hundreds of pack-  
ages of which we have sold. No  
wonder we have faith in them.  
No wonder we are willing to offer  
them to you for trial entirely  
at our risk.

Among other things, they con-  
tain Pepsin and Bismuth, two of  
the greatest digestive aids known  
to medical science. They soothe  
the inflamed stomach, allay  
pain, check heartburn and dis-  
tress, help to digest the food, and  
tend to quickly restore the stom-  
ach to its natural, comfortable,  
healthy state.

There is no real tape about our  
guarantee. It means just what  
it says. We'll ask you no ques-  
tions. Your word is enough for  
us. If Rexall Dyspepsia Tablets  
don't restore your stomach to  
health and make your digestion  
easy and comfortable, we want  
you to come back for your money.  
They are sold only at the  
7,000 Rexall Stores, and in this  
town only by us. Three sizes,  
25c, 50c and \$1.—Pickens Drug  
Co., Pickens, S. C.—Adv.

**Chronic Stomach Trouble Cured**  
There is nothing more dis-

surprising that many suffer for  
years with such an ailment  
when a permanent cure is with-  
in their reach and may be had  
for a trifle? "About one year  
ago," says P. H. Beck, of Wake-  
lee, Mich., "I bought a package  
of Chamberlain's Tablets, and  
since using them I have felt  
perfectly well. I had previous-  
ly used any number of different  
medicines, but none of them  
were of any lasting benefit."
